New

DayMonthYear

Budget \$ 3000 per month

Remaining \$ 1124.45 Expended \$ 1875.55

More than 50% of this month's budget has been spent. There are still 20 days left. Please plan your spending reasonably to control the budget!

Notes

- 1. The end - of - month shopping festival is coming. Make a shopping list in advance to avoid impulsive buying.
- 2. Your gym membership is about to expire. Evaluate how often you use it before deciding whether to renew it.
- 3. When the new semester starts for your child, buy stationery and tutoring materials as needed. Don't stock up blindly.
- 4. It's fruit season. Buy fresh fruits in moderation to prevent wasting money on fruits that go bad before you can finish them.
